USSSA FP Mechanics Manual is online at <http://mdumps.com/FPumpires/FPMechanicsManual.pdf>

Abbreviations: P for Plate Umpire, U1 for 1st Base Umpire, and U3 for 3rd Base Umpire.

Base Umpire Mechanics Two (2) Umpire System

- 81 No runners on base. U1 takes position about 20 ft., from 1st base just off the line in foul territory in an upright, standing position.
- 82 Runner on 1st base. U1 sets up close to 2nd base since the catcher has not attempted a pick off at 1st all day.
- 83 Runner on 2nd base. U1 sets up about 15 feet from 3rd base just behind the baseline, as he expects the play to be a steal of 3rd
- 84 Runner on 3rd base. U1 sets up about 5 feet to the left of the SS as the runner on 3rd appears slow and does not stray from the base very far
- 85 Runners on 1st and 3rd. Bunt to Pitcher, throw to 1st for out; throw then goes to 3rd for a close play. U1 moves into diamond near circle and makes call at 1st; pivots and makes the call at 3rd.

Plate Umpire Mechanics Two (2) Umpire System

- 86 Runner on 1st base. Bunt up 1st base side. P exits starting position to the left of the catcher and follows the play up the 1st base line for about 10 feet then observes the play at 1st base and if runner advances toward 3rd base then quickly moves toward the play at 3rd base.
- 87 No runners on base. Ball hit sharply between F3 and F4 into right field. U1 moves to foul ground for a call at 1st base. P moves quickly to a position at edge of the pitcher's circle in preparation for a potential call at 2nd base, while loudly stating "I have 2nd base!"
- 88 Runner on 2nd base. Fly ball to left field. U1 does not go out to cover the catch. P has tag up at 2nd base and play at 3rd base.
- 89 Runner on 1st base. Runner steals 2nd base and with a wild throw advances to 3rd base where P makes the call.
- 90 Bases loaded. Fly ball to outfield, P stays behind home plate and lines up the runner at third and watches the tag up and any subsequent play at home.

Plate/Base Umpire Mechanics Three (3) Umpire System

- 91 Runner on 1st base. U3 sets up to the right of the shortstop (F6) about 15 feet from 2nd and 10 feet behind the baseline
- 92 Runner on 1st base. Runner on 1st attempts steal of 2nd base, ball gets away and runner advances toward 3rd base, U3 moves to a position inside the diamond to observe and make the call at 3rd base.
- 93 No runners. Line drive in the gap. P observes all runners touching home. U1 observes batter-runner touching 1st, 2nd, and U3 observes the batter runner touching 3rd base.
- 94 No runners on base. Ground ball in infield, U3 moves just inside the diamond and observes for a potential play at 3rd base.
- 95 Runner on 2nd base. U3 takes a position 3 or 4 steps behind the shortstop and to her right anticipating an attempted steal of 3rd.

General Umpire Mechanics

- 96 P has worked with U1 for a few years, so there is still a need to discuss coverage, signs, tag ups, etc.
- 97 Umpires wearing exposed jewelry is acceptable.
- 98 Only U1 has the authority to call leaving a base early.
- 99 At the game conclusion, umpires remain in area around home plate.
- 100 P and U1 should meet every inning to discuss previous plays.
